

How to Apply to a Degree-Seeking Program at Mat-Su College/UAA

Go to <https://uaonline.alaska.edu>.

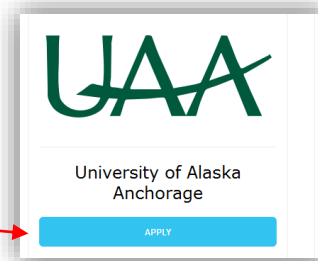

Click on “Prospective Students” and the “Apply for Admission”

Now choose the college you wish to attend.

(Mat-Su College is part of the University of Alaska) Anchorage.

Click on “APPLY”

Start a **new** admission application by clicking on New User.

Choose “Login” if you have submitted an application through this portal before.

A screenshot of the UAOnline Services login page. The title is "Login". Below the title, it says "New users, please click on 'New User' to create different than your UAOnline log in." There are two input fields: "Email (Username):" with a sub-label "Email (*Required)" and "Password:" with a sub-label "Password (*Required)". At the bottom of the form, there are three links: "Login", "Forgot Your Password?", and "New User". A red arrow points from the text "Start a new admission application by clicking on New User." to the "New User" link. Another red arrow points from the text "Choose 'Login' if you have submitted an application through this portal before." to the "Login" link.

A **non-refundable** application fee using a credit card is required to submit this application.

If you are not finished with your application and need to log off, you can return to your application later. Please check your account frequently to view all necessary requirements to complete your admission process.
