Instructor: _____

Description: What was it that caused you to view this project as an example of academic excellence? Consider criteria such as the difficulty of the assignment, to what degree the project exceeded your expectations, the student's level of creativity/insight, the ambitiousness of the project, the depth of inquiry, and relevance/importance to the discipline. You do not need to limit yourself to these criteria, nor do you need to address all of them. Please feel free to continue on the back of this page.

On a scale of 1 to 10, with 1 being the lowest and 10 being the highest, rate this project in relation to other similar projects you have graded by students at the same level in similar courses. _____
